We have a GIANT movie screen for watching movies, playing video games, and doing karaoke. Our music system will play your kids favorite tunes. Our JumpZ will "help" make the kids tired so they might go to sleep. The staff will also play other games with your kids to make it a great event that the kids will talk about at school! A maximum of 40 kids and you may bring your own food! 2 JumpZ! staff will stay all night to help you run things. A huge mat provides a comfortable spot for the kids to unroll their sleeping bags and we provide 1 Queen size inflatable bed for the parents/chaperones to sleep on. At least 1 chaperone (age 18+) or parent must stay overnight. Party host to pay additional \$200 directly to JumpZ! staff for running party.
